

## CHAPTER VIII

### THE ROBINSON ANCESTRAL RECORDS BOOK

All information on birth dates, marriages, deaths, children, and descendants from other generations are in a separate book that will be available sometime in the future. Our family is so large that it would be impractical to print one large book. Instead, there will be approximately eight books. If you would like to review the data I have on your family, call me at (813) 937-2719 and I will send you the "Family Group Records" so you can update the information.
